To Whom It May Concern:

It is my pleasure to provide a letter of recommendation for Jeremiah Osterhoudt.

Jerry was our construction manager at a condominium project in La Mesa, California. We worked together for one year. I have worked with many construction managers and Jerry was the best. He was organized, efficient, reliable, knowledgeable and understanding. Our buyers loved him.

Sometimes there can be friction between the sales office and construction. We never experienced that. Jerry did what he said he would do, the way he said he would do it and when he said would do it. It was pleasure working with him.

Whatever Jerry does, he will do it well. Please contact me if you have any questions.

Sincerely,

Marti Lipovsky
Sales Manager
